CHILD WELLBEING & PROTECTION POLICY - INTRODUCTION FROM THE CLUB PRESIDENT

Pollok Football Club recognises that football can have a very powerful and positive influence on communities, and especially on young people. We fully acknowledge that it is our responsibility to promote, support and safeguard children's wellbeing.

Our club is aware that football provides children with an opportunity to have fun and enjoy themselves while remaining fit and active. It is our duty to allow them to do this in a safe environment which protects them from harm and promotes inclusion regardless of their background, age, culture, racial origins, sexual identity, religious beliefs, disability or gender.

The policies and procedures put in place by Pollok Football Club, added to the training given to staff and volunteers, will ensure that we as a club will continue to fulfil our responsibilities in keeping children safe from harm, abuse and exploitation. This will also allow them to flourish, enjoy playing and watching the game they love, and develop valuable life skills such as teamwork, leadership and self-esteem.
